MĀLAMA I KA MAKANA

Cherish The Gift | A Call to Stewardship in the Catholic Church in Hawaii

Dear brothers and sisters,

Peace!

We just celebrated our Independence Day last Friday, the first Friday of the month, also dedicated in honor of the Most Sacred Heart of Jesus. We pray that all Americans may truly love our country by imitating the love of Jesus for us.

In our gospel, Jesus praises the Father for revealing “these things” to the little ones. What is revealed is everything that the Father has given to the Son. Who knows the Father? Only the Son. Who knows the Son? Only the Father. And the exchange between the Father and the Son is now revealed by Jesus to those whom he had chosen, namely, the little ones.

The Father sends his Son to the little ones so that they may share a life of intimacy with the Father and the Son. In a way, it is a sharing in God's dominion of love. “Come to me, you little ones, you who labor, you who are overburdened, you who are despised, you who have been victimized by the might and powerful of this world...Come to me. You belong to me. You belong to my dominion...”

This is Jesus' invitation, to take his “yoke”, the yoke of his love for us.

God bless you.

In Jesus, our fullness of Life,

Fr. Samuel E. Loterte, SSS

Our Stewardship Prayer

Generous and Loving Creator,
you have called us to **Mālama i ka Makana**
(*Cherish the Gift*).

As disciples of your Son,
we ask that your Spirit open our minds
and hearts
to more deeply appreciate your
countless blessings.

Increase your transforming spirit within us,
so as to nurture our call to stewardship
as a way of life marked always
by faith-filled prayer,
service to others and generous giving.

With the kokua of St. Marianne and St. Damien,
teach us to be good stewards so we may return a
hundred-fold the makana entrusted to us.

We pray this through Jesus Christ our Lord.
Amen

What a lovely parish! We were welcomed so warmly at Sunday Mass at the end of March 2014. It was a beautiful Mass and the parishioners made us feel at home starting with the shell lei they offered us when we were invited to stand up as visitors. A sweet little girl came over and gave us each a lei. How sweet. Thank you, St. Joseph Parish!

VOTING WITH A CLEAR CONSCIENCE SERIES

5. Weigh other issues properly.

There are many issues that have to be considered in elections, but as we have already seen, *not all have equal weight*. Once voters have disqualified those candidates who violate fundamental principles, they need to look at the wide spectrum of issues affecting the proper care of human life and promotion of human dignity.

The US Bishops mention these issues in [*Living the Gospel of Life*](#) and it declares, "Any politics of human life must work to resist the violence of war and the scandal of capital punishment. Any politics of human dignity must seriously address issues of racism, poverty, hunger, employment, education, housing, and health care. Therefore, Catholics should eagerly involve themselves as advocates for the weak and marginalized in all these areas.

But being 'right' in such matters can never excuse a wrong choice regarding direct attacks on innocent human life. Indeed, the failure to protect and defend life in its most vulnerable stages renders suspect any claims to the 'rightness' of positions in other matters affecting the poorest and least powerful of the human community. If we understand the human person as the "temple of the Holy Spirit" -- the living house of God -- then these latter issues fall logically into place as the crossbeams and walls of that house.

All direct attacks on innocent human life, such as abortion and euthanasia, strike at the house's foundation. These directly and immediately violate the human person's most fundamental right the right to life.

The bottom line, in other words, is that support for war and capital punishment do not automatically or necessarily violate fundamental moral principles; support for abortion and euthanasia always do. Therefore, supporting these latter policies is worse.
